If you are flying in from elsewhere to depart from San Francisco with the group, do you need **SAME DAY** connections arranged before AND after the tour from and to your home area? The airlines are limited in what they can provide you as an add-on to the tour and they **MUST** be same-day connections in both directions. If you are coming from any significant distance, we recommend that you arrange your own flights to arrive a day early to rest up and break up the long trip. We can recommend several cost-effective hotels near the SFO airport for that purpose.

Do you need **SAME DAY** roundtrip connections between your home airport and San Francisco? **YES / NO** If so, what major airport is nearest you?

REMARKS (including any special **DIET** or **HEALTH** needs or considerations, etc.) - - Please note that you need to be in reasonably good physical condition for considerable walking and managing of stairs when required.

Are you traveling with any friends on this tour (for purposes of bus assignment)?

Do you have any aviation background (airlines, military, general aviation, etc.) and/ or any special connection to WW II history in China?

How did you hear of this tour?
(NAME of friend or news media source)

Please note that you are requested to comply with all requirements for China visa processing.

Please read the **General Conditions** Form supplied with this Tour Reservation Form **before** signing below.

My tour deposit of **\$300** per person is enclosed, of which **\$200** will be forfeited if I cancel anytime up to **60** days before departure, after which date the cancellation penalty schedule will increase. Complete refund information is disclosed in the **General Conditions** form supplied.

My signature below indicates that I have read, understood and agree to be bound by the General Conditions provided for this tour.

*****NOTE:** Each person represented on the other side **MUST** sign and date this form to count as a valid sign-up.***
