Coverage for Supplier Bankruptcy or Default & Pre-Existing Conditions

Bankruptcy or Default - benefits are available (Classic and Classic Plus Plans Only) due to Bankruptcy or Default, as defined, of any airline, cruise line or travel supplier occurring more than 14 days after Your benefit effective date, provided You have purchased the Plan within 21 days of the date of Your initial Trip deposit/payment.

Pre-Existing Condition Coverage this exclusion is waived under the Classic and Classic Plus Plans (and the Basic Plan for Florida, Kansas, Missouri, Virginia, and Washington residents only) provided:

- (a) Your payment for the Plan and enrollment form are received within 21 days of the date Your initial Payment or Deposit for Your Trip is received; and
- (b) You are not disabled from travel at the time Your plan payment is paid.

What is a Pre-Existing Condition?

“Pre-Existing Condition” means an illness, disease, or other condition during the 60 day period immediately prior to the date Your coverage is effective for which You or Your Traveling Companion, Business Partner or Family Member scheduled or booked to travel with You: (1) received or received a recommendation for a test, examination, or medical treatment for a condition which first manifested itself, worsened or became acute or had symptoms which would have prompted a reasonable person to seek diagnosis, care or treatment; or (2) took or received a prescription for drugs or medicine.

Item #2 of this definition does not apply to a condition which is treated or controlled solely through the taking of prescription drugs or medicine and remains treated or controlled without any adjustment or change in the required prescription throughout the 60 day period before coverage is effective under this Policy.
